IMPORTANT ANNOUNCEMENT

The order of the Standard Catalogue of U. S. Coins and Tokens is followed in this catalogue. So that collectors may have a quick guide to value we have placed after each lot the 1942 catalogue valuation. This valuation is by no means a limit or reserve and has been the custom in stamp sales for many years. Where a definite valuation has not been given in the catalogue for condition quoted it has been averaged.

UNITED STATES PROOF COINS

All of the proofs listed in this catalogue are fine clean pieces and as such are in demand. Prices realized usually run between two-thirds and full catalogue value.

CONDITIONS OF SALE

1. All bids to be Per Lot as numbered in the catalogue.
2. All bids to be by mail. The highest bidder to be the buyer. All bidders must have an established credit with the Cataloguers or send a deposit equal to 25% of their bids.
3. The lots will be on exhibition for one week prior to time of sale.
4. Accounts are payable when bills are rendered and must be paid promptly.
5. The authenticity of the coins is guaranteed by the Cataloguers but all claims must be made within thirty days.
6. We charge no commission for purchasing at our sales.
7. Estimates of any lots will be furnished by the Cataloguers upon request.
8. A printed List of PRICES REALIZED will be sent free to subscribers to The Coin Collector's Journal, or to others upon receipt of 50 cents.
